## **SOUTHBOUND I-5 LANE CLOSURE NEAR JAYNE AVENUE TOMORROW**

**WHAT:** SLAB REPAIR PROJECT ALONG SOUTHBOUND INTERSTATE-5 (I-5)  
REQUIRES #2 LANE AND SHOULDER CLOSURE.

**WHEN:** TOMORROW MORNING, WEDS, MARCH 11<sup>TH</sup> 8:00 A.M. UNTIL 3:00 P.M.

**WHERE:** FRESNO COUNTY; ALONG SOUTHBOUND I-5 NEAR JAYNE AVENUE  
OVERCROSSING.

The California Department of Transportation (Caltrans) announces construction personnel will conduct a slab repair along southbound I-5 near the Jayne Avenue overcrossing in Fresno Co. In order to safely implement this repair, the #2 two (slow) lane of I-5 will require a full closure within the project limits. **(Schedule or specific closures are subject to change due to unforeseen circumstances which may occur during contractor operations).**

Motorists may experience traffic delays along I-5 during this time as only the #1 (fast) lane closest to the median will be accessible to motorists. Motorists are encouraged to avoid this area or use an alternate route whenever possible.

Message signs will be visible to motorists notifying drivers of work ahead and upcoming lane closures and the need to merge accordingly.

Caltrans would like to thank commuters for their patience during this repair project. The public is reminded to be alert for contractor and Caltrans personnel as the safety of our motorists' and work crew personnel is most important, therefore, please stay alert and "**Slow for the Cone Zone**" in all Construction and Maintenance Zones at all times- remember, Stay Work Zone Alert!
